BELLEFONTE, PA.,

Wednesday Morning, October 12, 1870.

MEEK'S STATEMENTS PROVED FALSE.

BEECH CREEK, Sep. 30th 1870.

COL. W. W. BROWN:—*Dear Sir.* In the *Watchman* of this date I notice an article, under the caption of "Their Bugaboo with the cover off,"

In which Mr. Meek charges, that the statement you gave in respect to the Sandy Run swindle is false.

I have been operating on Sandy Run, for Saylor Day & Morey for the last five years, and been there the greater part of my time, and know what you say to be true.

Meek says the bill was forwarded to him by letter. Hold a little, Meek, was not that bill handed to you by Mr. G. W. Welsh, on the morning of the 3d day of February 1869, at the Bolton House, in Harrisburg? Did he hand you a letter or take you to one corner and talk to you about it? How was that? Do you remember? That Welsh and Allen spent seven or eight thousand dollars is totally false. I say they never spent one dollar improving the stream below the dam of Saylor Day & Morey; all they ever did below the dam of Saylor Day & Co., at a place known as John Mann's turn about one mile from the mouth of the stream, Mr. Welsh shut up the channel of the stream with a bush dam costing about $50 which turned the stream out of its channel and cost D. R. Poorman & Bros., of Boggs Township about $200 dollars to get their logs around that brush dam, and that is every dollar Welsh & Allen ever spent within three miles from the mouth of that stream. For the truth of this statement, I refer you to James Poorman, James Coakley, Jerome Confer, Wm. Confer, D. R. Poorman and Miles Poorman, all of Snow Shoe tp., all Democrats, and who resided at that stream for the last four years.

Messrs. Poorman & Bros., had the contract from Saylor, Day & Morey for putting in Sandy Run, and out into Beech Creek, all the logs they had for the last 4 years and they are the parties interested, because they agreed in 1866, to deliver the logs into Beech Creek for the sum of $4,00 per thousand feet. And it is these men who will have to suffer in the end. That we abandoned our dam is equally false. Welsh & Allen never spent a dollar on the dam of Saylor, Day & Morey, except what it required to put it in shape to pass their logs through. And, will they deny that Thomas & Mason paid them about $100 dollars of that, for the use of the dam to help to put their logs out? The last splash that was made on Sandy was made by the dam of Saylor, Day & Morey on the 28th day of April last, and for the truth of this statement I refer you to the parties named above and could give some 15 other names.

Now what was the arrangement to secure the passage of that bill? Simply this? An agent of the firm of Thomas, Mason & Co., was at Harrisburg opposing the bill. But Messrs. Welsh & Allen, made an agreement with Messrs. Thomas, Mason & Co., that if they would withdraw their opposition and permit it to pass, that they, Thomas, Mason & Co's timber, (now Brown, Hastings & Co.,) should be exempt from the toll, and that accounts for the passage of the bill. Will you deny that little arrangement, Mr. Meek?

Meek says he saw in that measure an effort to protect the tax payers of Centre Co. Now who was it intended to protect, the Snow Shoe Company? No it is intended to rob them and that on their own lands. who pays more tax on real-estate in the county than they? Who furnishes more labor to honest tax payers than they? Were not Smith & Rhoads, large tax payers which this bill intends to rob? Are not Saylor, Day & Morey & Brown, Hastings & Co., large tax payers in Centre County, and have you not brought suit in the court of Clinton county to rob them? The Snow Shoe Company, Brown, Hastings & Co., and Saylor, Day & Morey are too well known to the lumbering men of Liberty, Howard, Curtin, Boggs & Snow Shoe townships, as honest upright and fair dealing parties, to be branded as Philadelphia speculators, by one who would attempt to rob them.

Meek says he did his best to stand by the taxpayers and honest Lumbermen of Centre county. Who did you stand by? Your article tells that, viz: Welch & Allen. Are they tax payers? Please tell the voters of Centre county where they ever paid one dollar tax on any real estate in the county. Not any. You cannot find it. Please ask Mr. Wolf county Treasurer, if this statement is not true.

And as for the honesty of the men you sought to protect, for God's sake say nothing. Let the honest business men, and hard working laborers of Centre county who have been swindled and cheated out of thousands of dollars by the firm of Welch & Allen, answer.—Why, Meek says he has no stock in the concern! Stop and consider again.—Did you not tell S. Hunter Brown in the streets of Bellefonte not three months ago that you owned all of Welch and Allen's interest? He will be qualified you told him so. Did you tell what was true then? and you now tell what is not true, and why? Simply to deceive the honest voters of Centre County. Answer, Mr. Meek.

Mr. Meek also says, that he did not receive the four hundred dollars. I believe that is the only part of his article that is true, because Mr. Allen's character for paying his debts is sufficient for any man that knows him to establish that fact.

What is the inference drawn from Meek's article? Simply this. He obtained the charter for the sole interest of Welsh & Allen in a hidden manner. Never published it in his paper with the other local laws. He did not get the $400 dollars he says; but he did get Welsh & Allen's interest in the whole concern. And now, Mr. Meek please tell us who had any other interest in the improvement on that Run except Saylor Day & Morey whose interest you refused to buy? For the truth of the above I can furnish you with the affidavits of 20 citizens of Centre county if required.

JOHN MCGHEE.

GET OUT THE VOTE.

Republicans of Centre, we guarentee you success if you will do your whole duty. If you will poll every vote in your respective tp., you will elect R. H. Duncan, and defeat that soldier-hating, treason sympathiser—P. G. Meek.

Get out the whole vote. Be sure you do this. Make every necessary arrangement to poll the last vote. Have your wagons, carriages and buggies ready, to haul the sick, the lame, the aged and infirm to the Polls. We need them all to insure the election of our Senatorial, Assembly, and County ticket. Work, work, friends, as you never worked before and your District and State will be saved to the Republican party and Liberty for the next twenty-years, and the little scaly "Pincher and Rooster"—Meek will be compelled to remain at home, when he will have no opportunity to impose 50 per cent taxes upon your lumber. To the Polls, Republicans, to the Polls.

BEWARE of fradulent tickets.

A LIE NAILED.

NO HOPE FOR SHERWOOD.

NO ROOM IN CONGRESS FOR FREE TRADERS.

TIOGA COUNTY O. K. FOR HON. WM. H. ARMSTRONG.

The letter which we publish below was written as will be seen, by one of the best and most reliable citizens of Tioga County, to a gentleman in this town. It gives the situation exactly, and shows conclusively that every Democrat who votes for Sherwood, free trade and repudiation will lose his vote. But read the letter.

WELLSBORO, Pa., Sep. 26, 1870.

DEAR SIR:—I have yours of September 23d, stating that the enemies of Hon. Wm. H. Armstrong are circulating in your county, the very foolish lie that he—Mr. Armstrong—will not have over one thousand majority in this county, and asking me what foundation, if any, there is for such report. In reply, I am happy to inform you that Mr. Armstrong will poll almost the entire strength of the party vote. Sherwood his Democratic opponent is a lawyer in good practice, and it is quite possible that some Republican client may vote for him out of personal friendship; but not a great many. Mr. Armstrong is now here, and is meeting with the kind of receptions which all faithful public servants deserve, and his friends, and the friends of the country and good government are making an active canvass in his behalf. Mr. Armstrong's majority in this county will not be less than 2,000, and may be more than 2,500. Tioga has always been the banner Republican county and always will be. We have had some local disaffection in our party here, but this will not affect Mr. Armstrong. And it may be possible that the Democratic leaders here have based their hopes of success upon this fact. But if so they are "counting without their host." People here have not forgotten Mr. Sherwood's position during the late war, and they do not want a *free trader* to represent them in Congress. Yours Truly,

JNO. R. BOWEN.

For the REPUBLICAN.

BEECH CREEK, Sept. 29th, 1870.

COL. BROWN:—*Dear Sir.* Your statement in the REPUBLICAN of the 28th, in regard to the Big Sandy Run charter is true in every respect so far as it goes; but all the facts concerning that swindle is not stated.

True, as you have stated, Sayler Day & Morey are the large lumber operators on Beech Creek, or on a large steam saw mill at the mouth of that stream. They reside in Phila. I do all their logging, and all the business connected with their logging, and log driving on Beech Creek. They have been operating on Big Sandy Run since 1861 and 62. At that time, they leased the timber on four tracts of land from the Snow Shoe Association, improved the stream up about 3 miles, and built a splash dam at a cost of about 2500 or 3000 dollars, and worked away undisturbed until 1867, when Messrs. Welsh & Allen also leased four tracts farther up the stream, and built a dam on the left hand branch of it. Then without any authority come to the dam of Sayler Day & Morey, and changed it so their logs could pass through, charging at the same time the greater part of the expense to Thomas Mason & Co., they paying the same, which amounted to about 400 dollars, in consideration of which they, F. W. & Co., now Brown Hastings & Co., out. Up to this time, Welsh & Allen never spent a dollar for the improvement of the stream below Saylor, Day & Co s., dam, they W & A. using the dam of S. D. & Co., and the stream they improved at so large an expense passing through their own land, and lands that they held under lien from the Snow Shoe Land association, and the only compensation they ever recieved was what water could be raised in the upper dam, when the stream was high. When the water is low the upper dam will not fill at all.

This was the situation of the stream, when Mr. Allen & Co., (I mean the Allen fo Rebel fame) in complicity with some others of like procilivities, attempted to perpetrate that fraud on the land owners, and owners of timber on Sandy Run.

That Saylor, Day & Morey of Phila

VOTERS REMEMBER, that every rebel during our late war, was a Democrat.

VOTERS REMEMBER, that free-trade is an idle fancy; protection an actual fact.

VOTERS REMEMBER, the Democratic party caused all the suffering in the late war.

VOTERS REMEMBER, that Crawford and Petrikin are the nominees of the traitor-loving and free-trade Democratic party.

VOTERS REMEMBER, that P. G. Meek was arrested for treason against his government during the late Democratic Rebellion.

VOTERS REMEMBER, that a Protective Tariff gives steady employment to Poor men at good wages, Armstrong is a life long Protective Tariff man.

VOTERS REMEMBER, Henry Sherwood was in favor of acknowledging the Independence of the Southern confederacy and peace at any price.

VOTERS REMEMBER, that Hon. Wm. H. Armstrong is in favor of a tariff that will protect the interests of labor—that he aided by the free use of his purse and by his votes to put down the Southern rebellion.

VOTERS REMEMBER, that to hold a majority in the Senate we must elect Wilson and Woods, else the apportionment and all legislation will come to a dead lock, and we will be forced to compromise with our worst enemies.

VOTERS, a Republican Congress is reducing the taxes brought on the country by the war of the disloyal Democracy. The new law went into effect on the 1st of October. Think of it on the 11th, when you select your Congressmen.

THE Democratic members of Congress voted in a body against the eighty million reduction of the taxes adopted by the Republicans. How is their action as a majority to be judged except by their action as a minority. Vote for Armstrong.

IT is said that "Coffee-pot Wallace" has been engaged for the season in the close Congressional districts. A large number of papers are in demand in some of the districts to insure Democratic success. Elect Hon. Wm. H. Armstrong.

THE issue this fall is between the Republican performances and democratic promises. The people know what the Republicans have done, and they also know what democratic promises have heretofore amounted to. Let them choose between them.

A SOUND and sensible Democrat remarked a day or two ago that he intended to vote for the Republican candidate for County Commissioner until one was elected. He thinks there ought to be a mixed board. A good many others think the same.

EIGHTEEN months ago the greenback dollar was worth sixty-five cents in gold, now it is worth eighty-seven cents in gold. The purchasing power of the paper dollar has been increased from sixty-five to eighty-seven cents. Vote the whole Republican ticket.

VOTERS REMEMBER, that Messrs. Woods and Wilson the Republican Senatorial nominees, are men, of character and moral worth—that they are life long Protective Tariff men—that they are the true friends of the laboring men—that they stood by the government and contributed their means to its support during the dark and bloody days of the late Democratic rebellion, while their opponents acted in sympathy with the traitors of your country.

The Democratic Senatorial Conference.

THE $9,500,000 SWINDLE.

We have frequently, through the columns of the REPUBLICAN, given the schemes and tricks of Burns, Potter, Andy Reed & Co. to procure the nomination of Alexander and Meek, by the Democracy of Centre, and how they managed to accomplish the nomination. It now turns out that these Legislative Buchaniers have been playing this game all around the District, selecting for members, men, that will assist them in peculation and subsidy in the passing of laws. And this was the inducement held out by this lobby triumvirate to the willing and anxious seekers of Legislative distinction.

Having secured the preliminary nominations in each of the counties of the District, the Senatorial Convention met on the 30th of August, at Lewistown. C. T. Alexander, with his ministers to the court of St. Jim Burns, full of hope and victory, had a right, if reports were true, and telegrams which reached here during the day of the conference went to confirm it—and for once it was said that Burns & Co., were going to fulfill their pledges to Alexander. In view of these facts and the telegrams received, we supposed that Alexandar would be the nominee of the Democratic party for Senator from this county.

But there is many a slip "betwixt the cup and lip" and Alexander can exclaim with Antony

"O sun, thy uprise shall see no more:
Fortune and Antony part here; even here
Do we shake hands.
The soul and body split not more in parting
Than greatness going off."

For no sooner was the Conference organized, than a vote was taken and Dr. Crawford, of Juniata county and R. B. Petriken of Huntingdon were nominated. At this result our friend Alexander saw that Burns had bought and sold him, while he (Burns) had secured and fixed the nomination of P. G. Meek on the Democracy of Centre county, and the election of Meek was all he requested or expected of Centre. Burns knows Meek, he likes him and considers him the Jonathan Wild in Legislative adroitness and freebootry.

Alexander having full knowledge of the object, schemes and intentions of Burns & Co. on the Legislature next winter, to rob the sinking fund by passing paying bills, considered that he was justified by the deceptions of Burns & Co. in violating their pledges in due lobby form, to turn the tables upon them, and so determined to check-mate Burns & Co. and for that purpose, his partner and Conferee Jno. H. Orvis, pulls out of his pocket a preamble and resolutions which were published in the *Watchman* the week after the convention and which we published last week and offered them to the consideration of the Conference.

It came too late. The deed was done, Alexander was defeated, deceived, slaughtered by Burns & Co., a majority of the Conference laughed at the reading of the resolutions, and voted them down.

This should not have been done, as Mr. Orvis, in his resolutions sustains Governor Geary in his message, vetoing the swindle in the shape of the Pine Creek Rail Road Bill—to rob the Treasury, the Sinking fund, of millions of dollars and give it to an irresponsible Rail Road Co., and in compliance with the address of Gov. Geary to the people of Pennsylvania, stating that the same game would be played this winter if the speculators could procure a two thirds vote over the Governors veto.

Mr. Orvis, no doubt, under the circumstances offered the resolutions, and this is the first time we have seen, in a Democratic convention, resolutions offered corroborating a Republican Governors message. They endorse Governor Geary. They endorse the Republican party and show that we are really and truly the party of reform retrenchment and economy.

It makes no difference what object Mr. Orvis had in offering them. He did it, and had them published in the *Watchman*, where all can read them, and if they were not adopted, the fault was not his. Mr. Orvis has done a noble work for the Republican party. He has in his Resolutions, endorsed our noble and patriotic Governor, and the friends of Governor Geary must feel pleased with, and proud of Mr. Orvis, in his boldness in thus approving of the Veto Message of the Governor in preventing the robbery of the sinking fund, while Alexander can sing:

"From Burne's Hall the news is come,
That we must grocers be:
To you, my lads, they give the plum,
But not a fig for me.

Be not deceived Republicans of this double District. The Republican party is the only party that ever did take care of the Sinking Fund and reduce taxation The Republican party abolished all State tax on real estate. Trust the Republican party. A vote for Crawford and Petriken will show that you are in favor of robbing the Sinking Fund of $9,500,000, and in favor of restoring the three mill state tax upon real estate.

THE PROSPECTS.

A Democratic newspaper has credit for the following item in reference to what that party expects in the coming political campaign:

"With the Pennsylvania Legislature Democratic, an apportionment would be secured that would make our State Democratic as long as our party deserved success. This, Democrats, is what we fight for."

And this is the clearest definition of the effect of the campaign that can be given. The Democrats will fight for it, as they know upon their success depends the restoration of their chance for a number of years to come. What is to prevent them, if successful at the next election, from so apportioning the districts that the Republican vote would be a mere negation? Nothing whatever. If they get the power in the Legislature, the chances are theirs to make the State Democratic, as districts which are now closely contested would be so cut up that the Democratic ticket would always be successful. Republicans should bear this in mind during the campaign. We must not think there is nothing worth fighting for this year, for there is. The apportionment of the State will be in the hands of the next Senate and House, and the party in the majority will make the apportionment. If Republicans do not want the State lost to them in the future, they must work for the success of their Legislative candidates this year. By the election of Wilson, Woods and Duncan, it will keep this State Republican for the next seven years. So says the Huntingdon *Globe* and it speaks the truth.

REMEMBER,

Tax-payers of Centre, remember that the Democratic leaders declared, in Convention, that the war to suppress the slave holders rebellion "was a failure," and that its results were nothing but "debt, slaughter and disgrace." And do not fail to

REMEMBER

that they resolved not to give "another man nor another dollar in support of the war," and that P. G. Meek, Dr. D. M. Crawford and R. B. Petriken endorsed the doctrine fully and distinctly. If their course had been followed, had their advice and resolutions been heeded, we would have had no liberty, no country, no flag, no title to houses and lands, nothing but anarchy and confusion would have been the result of this Democratic teaching. Loyal men of this Senatorial district, punish them now. Vote them down. They are not safe men.

KEEP IT BEFORE THE PEOPLE,

That a vote for Wm. H. Armstrong is a vote in favor of all the pure and liberty-loving principles of the Republican party, is a vote in favor of the protection of American Labor, while a vote for his competitor, Sherwood, is a vote in favor of Free Trade, in favor of English Labor, as against American Labor, is a vote to restore rebels and their sympathizers to power. Republicans of Centre, remember this when you go to the polls. Vote for Armstrong and Protection to American Labor. Vote for Wilson, Woods, Duncan and the entire County ticket. Pay no attention to disorganizers. Do not listen to them. Heed them not.—Spurn them from you as you would a man afflicted with leprosy. Vote the whole ticket without a scratch.

THE COUNTY TAX.

Republicans, Democrats, tax-payers of Centre county, remember that when the Republicans controlled the Commissioner's office, your county tax was but 2½ mills to the dollar. Now, when the Democrats control that office, your county tax is 6 mills to the dollar, and they are borrowing money at 12 per cent. to defray the expenses of the county, while nearly $38,000 are in the hands of defaulting Democratic collectors. Vote for and elect Daniel B. Malone, and we hereby pledge you the faith of the Republican party of Centre county, to reduce your county taxes the first year he is in office 2½ mills to the dollar. The Ring job will be spoiled, and their reckless robberies exposed. Vote for D. B. Malone.—There should be one Republican in that office.

KEEP IT BEFORE THE PEOPLE

That the Democratic leaders, but a few years ago, when the life of the nation was endangered, and the rebels had insulted and trampled upon the "dear old flag," denounced the Union soldiers, denounced the currency of the country. They despised the Union soldier, and labored to depreciate the value of our currency. Remember Meek was the leader of these rebel sympathizers in this county. He was the Vallandigham of Pennsylvania in a small way; but he did all he could. Spot him now. Sustain the country, the currency, the soldiers and the soldiers widow and orphans; but fail not to vote against their enemy, P. Gray Meek.

LOOK OUT.

Republicans of Centre, keep a sharp look out for ROORBACKS—mean and contemptible lies circulated on the eve of election—to injure the character of your candidates. Remember, Meek and his *confreres* are specialy mean enough to stoop to anything, or any trick, or circulate any lie that will make them one vote. Meek is desperate. He is shaking all over. He sees defeat staring him in the face.—Jim Burns and Sam Josephs cannot save him. Even saltpeter will not save his corrupt carcass, if the Republicans will only do their duty and all turn out to the polls.

SOLDIERS,

Remember, that P. G. Meek voted, worked and wrote against soldiers voting while in the army fighting for the nation's life.

By this, remember, he labored to put you on an equality with the slaves of the South. He sought to disfranchise you—to take the ballot from you.—Soldiers of Centre county, make your ballots count against him now. To the polls, soldiers, and vote to teach Meek, that you are freemen, and that you despise all such treason-sympathizers as Meek, Crawford and Petriken. See that your comrades all vote.

FRED KURTZ.

Penns Valley Democrats, Remember Fred Kurtz denounces Sam Josephs and says he is a political scoundrel, yet he supports P. G. Meek who is not a whit better than Sam Josephs. This fact is fully apparent from his complicity in the grand swindles, known as the "Big Sandy Run Improvement Company, and the Marsh Creek Improvement Company. The passage of these Bills proves Meek to be a Pincher and Rooster, a fit companion of Sam Josephs and a robber of his constituents. Work and vote against Meek.

THE SINKING FUND.

Voters of Centre county, if you wish honest, upright and capable men at Harrisburg, both in the Senate and in the Assembly, men who will vote against swindling the State out of $9,500,000 bonds and prevent the re-assessment of the three mill tax on real estate, work for, vote for, and support with all your might and main, Wm. P. Wilson, David W. Woods and Robert H. Duncan.

HOW CAN YOU?

Honest Democrats of Centre, we ask you in all honesty and candor, would you support Sam Josephs—a man whom Fred. Kurtz denounces as a thief and robber? You say you would not. How then can you vote for P. G. Meek, who is the associate of Sam Josephs, and who legislates to impose a tax of 50 per cent. upon every 1000 feet of lumber you use?

BEWARE of fraudulent tickets.

REMEMBER,

Farmers, mechanics, workingmen of Centre, that P. G. Meek has failed to contradict the charges we made against him in securing the passage of the two swindling acts entitled the "Big Sandy Run Improvement Compauy," and the "Marsh Creek Improvement Company." The passage of these Acts show up Meek in his true character of "Pincher and "Rooster," and prove abundantly that he is a dishonest man and Legislator. They prove that he is not consistent and that his howling about taxes and against corporations, are heartless, that he is in favor of taxes when those taxes go into his pocket, and that he is in favor of corporations when he is favored by them and can act as Secretary of the same. They prove in short that he is a faithless public servant, and that for the sake of the "blood money"—the toll he is willing to impose upon the farmers, workingmen and mechanics of Centre county, a tax of from 50 to 75 cents upon every 1000 feet of lumber they may be necessitated to use. These two Bills are perfect swindles upon the tax-payers of this county. Meek himself is a swindle, a cheat, a fraud.

Honest voters of Centre, scratch Meek.

The New Jail.

It is a well known fact that the Democratic County Commissioners refused to let the contract for building the new jail to responsible parties, who offered to erect it for about forty-five thousand dollars. It is also well known that they built it under *their own* supervision, for the purpose of making a good thing out of the tax-payers; and having done so, they will not and *dare not* publish a statement of its cost so that the people may see what that institution *has* cost them. It is the impression, and it is gaining strength from day to day, that the jail has cost the people nearly sixty thousand dollars! No statement of this exhorbitant and uncalled for expenditure will ever be made by Democratic Commissioners, if by any manner of twisting, dodging or equivocating they can get out of it, for the simple reason that they are afraid to let the public know anything about what it did cost. The only way the people ever can get at the information is to elect a Republican member of the board. It would be better for all to have a representative from the Republican party in the Board of Commissioners. As matters now stand there is a strong indication of this determination on the part of the people. Elect D. B. Malone, and thereby find out what this jail has cost. It can be ascertained in no other way.

Remember.

Tax-payers remember that while the Democratic politicians are sorely displeased with the monthly reduction of the National debt, the people are rejoicing over it, and looking forward to the near future, when a debt, caused by traitors and their aiders and abettors, will be paid and cancelled by the Republican party. Gen. Grant has paid off over one hundred and eighty-millions of the National debt in the first 18 months of his Administration, while a loyal Republican Congress last winter reduced taxation of $80,000,000 by the passage of one bill. Vote to sustain these men and these measures. Vote to sustain the honest and economical State and National Administrations. Vote for Armstrong, Wilson, Woods, Duncan, Malone and the entire ticket. The party that saved the nation, should rule it. Tax-payers arouse. Your own best interests demand your most energetic action.

Keep it Before the People,

That a full vote in this county is a Republican victory. Republicans work. Work as you have never worked before. It is your own fault if we do not carry our entire ticket. Meek is frightened until you can see nothing of him but his big hat. Now is the time to pay him for his sympathy with traitors—his abuse of soldiers and loyal men, during the struggle for the nations life. Republicans of Centre, close up the ranks. Arouse to action. You owe it to yourselves to your candidates, and to the justness of your cause, to elect your whole ticket. Make your victory complete. You can do it, if you only will. Give one to day to your country and to the cause of Liberty. Work and vote. Vote and work.

Keep It Before the People,

That Wm. P. Wilson, David W. Woods and R. H. Duncan are pledged to vote against the Railroad swindle of last winter, whilst Crawford, Petriken and P. G. Meek, Jim Burns and the entire batch of corruptionists, are in favor of any and every scheme to duplete the State Treasury and burden the people with taxes. Tax-payers

REMEMBER

That this $9,500,000 swindle is the pet scheme of Wm. H. Wallace, out of which he expects to put into to his own pockets, and into the pockets of friends, more than $500,000, Meek is one of his friends, and is anxious to build another brick house. Wallace and, Meek, and Sam Josephs. *A glorious trio* of political scoundrels.

Voters of Centre.

Remember that a vote for Wilson and Woods will prevent Jim Burns, P. G. Meek, Sam Josephs, and the corrupt lobbyist, who are 'sharp and experienced' and who 'hang about Harrisburg" from stealing $9,500,000 from the Sinking Fund of the State.

SPURIOUS TICKETS.

Republicans of Centre beware of spurious tickets. They are being circulated all over the county by Meek and the friends of Crawford and Petriken. Be on your guard. Be not deceived. Read your ticket from top to bottom before voting it.

NOTICE.—The Republicans of Spring township are hereby notified to meet in the Republican Club Room in Bellefonte on Monday the 10th day of October at 3 o'clock for the purpose of nominating a township ticket.

COMMITTEE

For the REPUBLICAN.

AARONSBURG, Sep. 26th 1870.

COL. W. W. BROWN:—You will remember that Fred Kurtz in his *Reporter* of the 26th of August last contained an article stating that "the *Watchman* of last week denies the story lately circulated against D. G. Bush, Esq., and then goes on to say that he 'regrets that the denial comes to late, and after the report refered to, was given circulation enough to defeat Mr. Bush's nomination in this county for Senator." Not satisfied with a mere contradiction of the slander, Fred yields to his better judgment and writes a word of advice to the readers of the *Reporter*, as follows: "We counsel the Democracy to set their faces against any and every candidate who will engage in such work."

Here was a broad side at P. G. Meek, as he was the man that published the slander, and put it in circulation before the meeting of the Democratic convention in order to defeat Mr. Bush and secure his own nomination. After Meek secured his point in the defeat of Mr. Bush, and in his own success, he published a contradiction of the story. To which Fred indignantly replied "it comes too late" and calls upon the Democrats to "set their faces against any and every candidate who will engage in such work."

From this many of us thought Fred was going to act independent, and oppose any office-seeking trickster like Meek. But it appears Fred has taken Meek's "tribute money" for we find in his *Reporter* of the 22d inst., that he swallows all he has before stated and says "work on Democrats and pile up the majorities in October, every man from Meek to Auditor is deserving your support."

How disgusting such twaddle is to independent Democrats, and what a contemptable position Fred places himself in. If he was honest in his article in defence of Bush, then Meek is not deserving of the Democratic vote. If he is honest in the last article, then he is guilty of a willful and malicious slander against Meek. Which is it Fred? You are pretty good at wearing to faces but you cannot do it in this instance.

Fred promised he would expose the tick by which Alexander and Meek got the delegates in Gregg township, and give us a skim milk noice of the club who made the nomination against a majority of the Democratic voters of that township and promised to follow it up. He told us that he became a candidate for the Legislature after J. G. Meyer declined, for the purpose of securing delegates to defeat the nomination of Alexander and Meek. He stated that Meek should not be elected—that when in the Legislature Meek made a pretty thing out of it, to the mortification of his constituents. A large number of us believed then with Fred and believe so yet, that Meek should not be elected. This fact Meek will find out on the second Tuesday of October, and Fred knows it.

And as Meek said in the *Watchman* that J. G. Meyer and all others who were not "sharp and energetic must stand back for "one year," he cannot blame us if we say we have no confidence in him and that we will try to keep Meek from going back this time. And we will succeed mark that. The party lash has lost its power here. They crack their whip in vain. We will not vote for Meek, as we believe, he must have some money making scheme on hand if elected, as it is clear that he lossed nothing by being in Harrisburg for two sessions.

But Fred is preparing for the result in his *Reporter*, and let it terminate as it may, Fred can repeat Bunyan's homily.

"The hen so soon as she an egg doth lay,
(Spreads the fame of doing what she may)
About the yard, a cackling she doth go,
To tell what 'twas she at her nest did do.

Just thus it is with some professing men,
If they do ought that's good, they like our hen
Can not but cackle out where ever they go
And what their right-hand doth their left must know.

Fred may wear his two faces, he may cackle as much as he pleases and as loud; but he cannot declieve any longer a certain portion of the Democracy of Pennsvally.

HAINES.

FACTS SPEAK &c.

The ingenuity of Pennsylvania Democratic journals has for some time past been devoted to torturing the votes of the Republican Representatives from this State in Congress for the clause of the tax bill reducing the tariff on pig iron from nine to seven dollars per ton into an endorsement of free trade. This may be plausible enough to delude the average rural Democrat, who rarely sees a newspaper and never reads the proceedings of Congress, but its untruthfulness will be apparent to every man able to read and who subscribes to a newspaper. At the last session of Congress a most determined struggle was had over this section of the tax and tariff bill, the free traders endeavoring to reduce the duty on pig iron to five dollars per ton and the protectionists to keep it at nine dollars.—By the aid of the Democrats the friends of the British iron-producers were at first successful, but by the greatest effort on the part of W. H. Armstrong and other leading protectionists and Republicans, seven dollars per ton duty was finally accepted as a compromise. In the Democratic party, on the question of protection, the people of Pennsylvania have no faith. Its representatives and journals are false to this most vital interest of our Commonwealth, and openly avow themselves in favor of free trade in more than one Congressional district, while in others they preserve the cowardly silence so characteristic of the party. Their record on protection is as damaging as was their course during the war, and both prove their disloyalty to the country and its interests. Vote for Armstrong and Protection to home Industry. How can any honest or true Republican vote for Sherwood who is and always has been openly and avowedly in favor of free trade. The Republican who will cut Armstrong and vote for Sherwood must be reckless indeed.

NEITHER agriculture manufacture, nor commerce, taken separately, is the cause of wealth. It flows from the three combined, and cannot exist without each other. The Republican party favor the encouragement of all three.

For the REPUBLICAN.

RESOLUTIONS VOTED DOWN.

WHAT DOES IT MEAN?

The following are the resolutions offered by John H. Orvis, Esq., in the Senatorial Conference which put in nomination D. M. Crawford and R. B. Petriken. The conferees from Centre and Blair and one from Huntingdon supported these resolutions, but they were defeated by the votes of Mifflin, Juniata, Perry and two from Huntingdon, the identical votes by which Crawford and Petriken were nominated. From this the conclusion is inevitable, that these gentlemen are pledged in advance to assist in robbing the State Treasury of the securities now in the sinking fund, else why would they and their friends refuse to pledge them against all such schemes?

Whereas, We believe with Jefferson, that "a wise and frugal government which restrains men from injuring each other, but leaves them otherwise free to pursue their own ideas of industry and improvement, and does not take from the mouth of labor the bread it has earned is the sum total of a good government," and therefore the establishing a system of internal improvements by, and at the expense of the State is contrary to the fundamental idea of a free government, and can only be engendered in the earlier history of a community, when capital is not sufficiently aggregate to enable such improvements to be conducted by individual or corporate enterprise, which period has long since passed in the history of Pennsylvania; and

Whereas, The people of this Commonwealth in 1857, by solemn constitutional enactment, provided for the establishment of a Sinking Fund which should consist in part of the net annual income of the public works owned by the State and the proceeds of the sale of such public works; and further provided that no part of said Sinking Fund should be used or applied otherwise than to the extinguishment of the public debt as long as such debt exceeded five millions of dollars; and at the same time prohibited the State loaning its credit to any individual, company, corporation or association, or becoming a joint owner or stock holder in any company, association or corporation; and also prohibiting the State assuming any portion of the debt of any municipal or other corporation or association, without the consent of the people, except for the public defence in time of war; and also took from the Legislature the power to authorize any municipal corporation to become a stock holder in, or loan its credit to, any corporation, association or institution. Therefore be it Resolved,

1st. That we are in favor of maintaining inviolate the principles thus incorporated into the constitution of Pennsylvania, and of preserving with sacred fidelity the faith of the State thus solemnly pledged to our public creditors.

2nd. That we are in favor of preserving the securities now in the Sinking Fund, arising from the sale of the public works, and such as have already been substituted therefor, in their present form and securities, both principal and interest shall be paid according to the letter and effect of the obligations, and that the proceeds thereof shall be honestly appropriated to the payment of the public debt.

3rd. That we denounce all schemes by which the securities now in the Sinking Fund, are to be diverted to any other use, loaned to any corporation, or exchanged for the obligations of any other corporations, or in any other manner tampered with, as a violation of the spirit of the constitutional provisions above recited, a breach of public faith, and part and parcel of a scheme of gigantic corruption and public robbery.

4th. That it is the duty of the candidates duly nominated by the Democracy of the 21st Senatorial district of Penn. to give pledge to support and maintain throughout their Senatorial term, the principles and policy enunciated in the foregoing preamble and resolutions.

What did the voting down of these resolutions mean? I appeal to my Democratic friends of Centre Co., and ask them this question; do not these resolutions constitute a good platform? As a declaration of principles are they not compact and complete with Democratic doctrines, economy, preservation of the public securities in the Sinking Fund—opposition to the loaning of the State credit to any individual, company or corporation? Was not the voting down of these Resolutions an act of unpardonable stupidity, to say nothing of the dishonesty of the act? Sad as the truth is, my fellow Democrats, it is nevertheless the truth, that they were voted down in a Democratic convention, and by the same men who forced upon our party Crawford and Petriken as our Senatorial candidates. And, why? Simply to leave Crawford and Petriken free, if elected, to vote next winter in favor of robbing the Sinking Fund of $9,500,000. As an honest Democrat I appeal to honest Democrats, and ask you, if you will vote to elect such men to office? Will you by your votes disgrace and damn our party by endorsing, or aiding and abetting, this swindle? Are we slaves that we must bow to the beck and nod of such men as Crawford and Petriken? Gov. Geary saved the State the loss of this $9,500,000 last winter, but what assurance, what evidence have you or I that he will again veto a bill passed in the interest of the corrupt men who are doing all in their power to succeed in getting this large amount out of the Sinking Fund? I hold that our only safety lies in voting against Crawford and Petriken, and their friends who refused to place themselves fairly and squarely upon a Democratic platform. Let us Democrats of Centre, stand by the platform and repudiate the candidates who refuse to stand upon it. It can not injure our standing in the party to vote against Crawford and Petriken, and, thus re-declare that good old Democratic doctrine, that we vote for measures and not for men. As for myself rest assured that I will stand by the platform, and vote against the men who refused to stand upon, or sanction it in any way. I would sign my name to this article; but you all know who I am. At least you ought to know.

A DEMOCRAT.

A DEMOCRATIC PRINCIPLE.

The spirit of the Democratic party in this country is an exceedingly subtle, variable, evanescent, now-you-see-it-and-now-you-don't-see-it kind of an essence. In New York, Massachusetts, and other Eastern States it is chiefly whisky, combined, however, with free trade, sympathy for the Emperor Napoleon, and abuse of the Germans. In Pennsylvania, New Jersey, Deleware, and the neighboring States it is mainly hatred of the "nigger," with a strong tincture of free trade in all localities where manufactures are not the dominant interest. In the South it is next to impossible to tell what does constitute Democracy. In some localities the colored people are persecuted, waylaid, and murdered, and driven away from the polls. In others they are flattered, cajoled, and graciously escorted to the voting places in the hope of securing their suffrages. Throughout most of the South, the party is decidedly in favor of importing all the Chinese possible, as being an approximation to the slaves whom once all true Democrats considered it an honor to own. But out in Wyoming this champion of Democracy presents yet another hue. There it is the terrible red man who is made to do duty in place of the "nigger." Stump orators in that progressive Territory begin their addresses with a shrill war-whoop, and follow up the startling effect thus produced by asking of their terrified auditors whether they will support a party which suffers the bloody red man to wield his tomahawk and scalping-knife with impunity, or vote for the candidates who will speedily inaugurate a war of extermination. The conclusiveness of this logic must be sadly marred, however, by the fact that, by a wise blending of kindness with firmness and vigor, the Administration has brought peace to nearly the whole extended frontier, so that even the Democratic papers in this same Territory themselves confess that the "Indians have buried the hatchet."

Indeed, the election which occured there a few days since demonstrated how shaky is the Indian question for a Democratic platform. William T. Jones, the Republican candidate for Congressional delegate, was elected by a majority of 200. This is a Republican gain of about 1,600, a Democrat having been elected in 1869 by a majority of 1,436 votes.

What the party wants is manifestly some plausible principle of such general acceptance and application that it may be adopted as the basis of a national policy. It has nothing approaching such a principle now, and without it the future promises but an uninterrupted series of mortifying defeats. Why not unite upon the development theory regarding the origin of species? The theory that man is an outgrowth of the monkey accords well with Democratic traditions respecting the colored race, and as the masses of the party are not presumed to understand principles, the difficulty of familiarizing the uneducated mind with the evidences upon which is rests would be no objection. Then what opportunities would be afforded the orators! The cultured Cox, of New York, could discourse learnedly upon life germs, natural selection, etc., while the shallow-pated, big-voiced demagogues could continue to harp, as at present, upon whatever social prejudice might happen to prevail at the time and place, and appear to find warrant in the text of this theory. By all means let the Democracy endorse Sherwood.

WORKING MEN.

Working men, mechanics farmers of Centre County remember, that the Democratic leaders and politicians, openly and avowedly declared in favor of the repudiation of the national debt. They are in favor of repudiation now. If they had there own way they would repudiate the National debt, and pay off the rebel or Confederate debt. You cannot trust these men. Remember workingmen of Centre, that had this doctrine of repudiation succeeded, it would have brought ruin and desolation on the people and would have paralyzed the industry of the country, closed our workshops and manufactories, and given us over to be bound hand and foot by the free traders of grasping, treason-aiding England. How can any working man, native or foreign born, vote the Democratic ticket.

THERE is no State tax on real estate in this State, thanks to Republican legislation; and the State debt is yearly diminishing, whilst it takes half a million dollars yearly to provide for the education and maintainance of Soldiers' Orphans. That's encouraging. Tax-payers, don't tear down the bridge that has carried you, and is carrying you safely to prosperity and freedom from State taxation, but stand by it and vote for Wilson, Woods and Duncan.

DON'T fail to vote for Armstrong, Wilson, Woods, Duncan and the entire Republican ticket.

LOCAL ITEMS.

IN ADVANCE.

The date of this paper is October 12th, but we have issued it in advance (Saturday the 8th,) for the purpose of contradicting the last falsehoods set afloat by the *Watchman* just before the election, and with the hope of arousing our readers the true Republicans of Centre, to a doubling of their deligence. Beleive no story you may hear now friends. Any story against any candidate, set afloat now, on the eve of the election is unworthy of belief. All the charges we make against Meek we have made over and over again yet he has failed to contradict one of them. Be on your guard. Work, work

THE COUNTY FAIR.

On Tuesday the 4th inst., the third Annual Fair of the Centre Co. Agricultural Society opened on their grounds under very unfavorable auspices. It had been raining for several days previous and on that day the heavens occasionally wept tears which were tears of distress to many of the officers of the Society who had looked forward with the brightest hopes and anticipations of success. This day very few entrees were made and everything looked gloomy "indeed."

On Wednesday the countances of the officers presented a more cheerful appearance, and the execrable muddy road from town to the grounds presented an animated appearance. Cows, Calves, Bulls, Swine, Jacks, Horses, Sheep, Hogs and Fowls, with a miscellaneous crowd of two legged bipeds, on foot and in carriages, were confusedly intermixed, and with the squealing of the hogs, the braying of the Jacks, the bellowing of the pure blood Bulls and the cackling of the Fowls, the bleating of the Calves and Sheep with the execrations of the patient persons who had them in charge, carried one back to the days when "Donnabrook Fairs" were in their full glory.

By 12 m. all the cattle stalls, the Horse stalls, Sheep pens and Pig pens, of the Association were occupied. The Floral and Fancy department also overflowed with the choicest of natures cheering gifts to man, donated by angelic hands. The countances of the officers began to brighten and even the *phiz* of the gate keeper became a shade lighter as a continued stream of visitors passed into the grounds.

The stock department presented a better appearance than at any previous exhibition, nearly all being pure bloods. The Mechanical department was fully up to any former display, and the vegetable department surpassed anything of the kind ever witnessed in Centre county and the Fair was unanimously voted a success.

STOCK DEPARTMENT.

The entries of stock up to this time was as follows: R. M. Valentine, 1 cow. Frank U. Musser, 17 months old Bull, a very nice calf. H. N. M'Alester, 1 Durham cow, and 1 Durham calf 9 weeks old, both showing extra good points. Adam Hoy, 1 calf 4 months old and one cow, both common stock but in appearance equalling some of the thorough breeds. Samuel Hile, one calf 4 months old, common stock, one ½ breed Devon cow and one half breed Devon Bull, both the latter presenting superior points Mr. Hile also had on exhibition a heifer of common stock that presented a good appearance. H. Imgrn, 1 Durham Bull, 7 months old, which presented an attractive appearance. H. L. Hensy, 1 Durham Bull 7 months old, which in size was hard to beat. Richard Conley, had on exhibition a three year old heifer which was remarkable for size and possessed of good points as a first class milcher. Jno. W. Fury, 1 cow, 1 heifer and one Bull calf 5 months old, presenting the best apperance for its age of any other one on exhibition, Jos. Tressler. 1 Bull three years old, good. Jno. H. Orvis, the prospective Democratic Governor of this Commonwealth had on exhibition a full blooded Alderny Bull, one and ½ years old. The Alderner stock of cows are noted the world over as being the best milkers, ther efore the most profitable. Wm. H. Huey, 1 Roan cow and one Roan calf 10 months old, from the "Central Experimental Farm." In this stock we failed to see anything extra, in fact, there was comingn stock on the ground that surpassed it. The Agricultural College had on exhibition one Durham Heifer, bright cherry red, 17 months old, one Bull calf 6 months old, one Kentucky Durham cow and one full blooded Durham Bull six years old. This was all fine stock and hard to beat, R. B. Valentine, 1 Spring colt, Jno. W. Fury, 7 Leicester sheep and a lot of six others, Henry Pennington, 3 splendid drlving and saddle horses. Elias Zimmerman, 1 saddle horse. Benner township one draft team. Jno. Shaffer, one stallion 6 years old, a beauty. J. A. Johnson, one Stallion colt, heavy draft two years old, a splendid specimen of horse flesh. R. B. Valentine, 1 4 year old Black Jack, a good specimen of that peculiar stock. Morgan Lewis, 2 Stallions 3 years old, R. R. Valentine, 2 two horse colts of improved breed. Geo. Valentine, a Spanish Jack, pure blood, the greatest beauty of the long eared tribe on the ground. Geo. Mitchell, a Jennette and Jack, Kentucky breed, Bellefonte Borough, one Draft Team. H. N. McAlester, 1 mare colt 3 years old, one mare colt 2 years old. Jos. Alexander, 1 Canadian colt 2 years old, H. L. Harvey, 1 Stallion colt 3 years old and one Gelding colt 2 years old, these were superior stock. Wm. Tate, 1 Sorrel horse colt 18 months old. Richard Conley, 1 saddle horse. Jno. Musser, 1 mare and colt and pair of carriage horses. G. W. F. Grey, 2 saddle horses, Jno. Rishel, 1 Black horse and one colt. This was very fine stock, Wm. Walker, 1 Bay Stallion. Aaron Rishel, 1 horse colt. Jas. W. Marshal, 1 pair of driving horses.

SWINE.

The stock of hogs on exhibition was not as large as was anticipated, but made up in quality what it lacked in quantity. The following were the entries on Wednesday, the 5th: John H. Orvis, 2 Chester White pigs 5 months old, pure blood, and one white Chester Boar, 14 months old, pure blood. In this line, these animals would be hard to surpass. Agricultural College entered 6 Chester White pigs and 6 small ones 8 weeks old, all showing good points. John S. Foster entered 5 shoats three months old and one Chester White boar which as good porkers would equal any on the ground. H. N. McAllister had on exhibition 4 very excellent pigs, a cross of Chester White and Berkshire, your reporter thinks this cross a great improvement on both the Berkshire and Chester White.

REPUBLICAN MEETING AT BOALSBURG.—We have received the proceedings of a very interesting and enthusiastic Republican meeting held at Boalsburg, on Monday evening the 26th ult. Being crowded for room in this issue we are obliged to condense the report received, however, we must say that we seldom receive as well written report as this one, and am sorry that our want of space prevents us from publishing it in full.

The Hall of the Academy, on the occasion, was crowded to repletion with both Democrats and Republicans.

The meeting was organized by selecting Samuel H. Stover, Chairman; H. Frederic and Jno. Foster, Vice Presidents and Wm. A. Jacobs Secretary. S. D. Grey, Esq., of Bellefonte was the first speaker, and acquited himself well, and closed by urging every person to vote for the Republican nominees, as they were men who would still continue to labor for the benefit of our country.

A. B. Hutchison, Esq., was the next speaker, and in his characteristic and pleasing style, proved that the war, the heavy taxes, the national debt which was enormous was all created by the acts of the Democratic party, and said, that they still growl at the Republican party about them &c. He concluded his address by appealing to the Republicans to be at the polls all day on the day of election. The meeting then adjourned to meet at the polls on the second Tuesday of October.

REPUBLICAN MEETING AT ZION.

An enthusiastic meeting of the anti-debt incurring "old rye" drinking, draft resisting, National debt repudiating party was held at Zion on the 24th ult. Mr. Hamer was chosen Chairman and H. Harshbarger was selected as Sectary.

Cyrus Gordon, Esq., was then called upon and addressed the meeting in an able and eloquent manner. His remarks were frequently greeted with applause Mr. Gordon bids fair to make one of the most interesting and eloquent stump speakers in the state.

Mr. Yocum then addressed the meeton the importance of having a Protective Tariff and the coming election.

Capt. Lytle then addressed the the meeting in his usual eloquent and forceable style, proving that the Democratic party was responsible for all the misery produced by the war and the heavy taxes which they complain of. At the close of his speech he was loudly applauded.

REPORTER.

SELLERS ZOUAVES.—We were honored on last Thursday with a military serenade by the "Seller Zouaves," a good looking military company from Patton township, commanded by Capt. P. E. Sellers, assisted by George Beshore and John Q. Miles, as first and second lieutenants. In their marching evolutions and the manual of arms they were as perfect as old vetrans and in their gay "zo zoo" uniforms made quite an attractive and soldierly appearance. Their Martial band discoursed some very fine military music. Long may they wave.

F. H. Hollister, of Bradford county, exhibited Wheat and Rye—one bushel each of good quality. G. E. Boyer, of Cumberland county, one bushel Red wheat—one bushel Amber wheat and one bushel Excelsior Oats, of good quality—Geo. Boyer, of same place, one bushel white Poland Oats and one bushel New Brunswick Oats of good quality. Samuel Hughes, of Ransom, Pa., one bushel Gourd Seed Corn, one bushel White Flint Corn, one bushel Smoke Corn and one bushel Yellow Corn, also of good quality. Wm. C. Huey, superintendent of the Central Experimental Farm, connected with the Agricultural College of Pennsylvania, exhibited *one-half bushel, each of six varieties of Wheat*, together with a specimen of each variety in the straw, as follows: The Touzelle, a white smooth wheat of excellent quality, the *product* of an importation from France by the Department of Agriculture at Washington in 1869—the Polish, a red bearded white wheat of fair quality, the second years product of an importation by the Department of agriculture in 1868, *the Jennings*, a bearded white chaff white wheat of superior quality, the sixth or eighth product of a single head from a number of years ago by a farmer in Western Pennsylvania, from whom it derives the name—*the Solt* a white bearded white wheat, of goad quality, product rom a single head in Clinton county, Pa., taking in like manner the name of the producer the *Tappehannock* or *Boston*, and a white bearded red wheat of good quality, together with *one bushel each*, of the Trouzelle—the Jennings, the Tappehennock and the White Bearded Red Wheat, also *Two varieties of Rye of one-half bushel each*—the one the common Rye of good quality—the other the *Bremen*, the product of an importation by the Agricultural Department in 1869 of excellent quality.

Also, one-half bushel each of *seven varieties of Barley*, together with a specimen of each variety in the straw, as follows: The common *four or six rowed* of excellent quality—the Saxonian, the Probstier, the Chivillier, the Brewers Delight, the Golden Melon Seed and the Rockingham, of good quality. Most of the last six varieties being products of importations, made by the Department of Agriculture at different times.

Also, one half bushel each of *fourteen distinct varieties of Oats*, together with a specimen of each variety in the straw, as follows: The Excelsior, the Somerset and the *White Schonesa—all of which are excellent*—the Potato Oats, the Surprise, the Belgian, the White Poland, the White Sweedish, the Black Poland the Black Sweedish, the Black Hungarian, the Prince Edward, the Black Tartar, and the Black Norway—several of which are also excellent and many good.

Quite a number of these varieties of Oats are also the products of importations made by the Department of Agriculture.

Also, twenty five varieties of the Potato—nine thereof established valuable varieties of one-half bushel each, to wit:

The Early Goodrich, the Early Rose, the Climax, the Harrison, the Peachblow, the Garnit Chili, the Mercer, the Cuzco and the Conshohocken or Larimer, the remaining sixteen having been severally produced from seedlings—the *tubers* planted on equal areas of land weighing respectively four ounces, yet under circumstances equally favorable differing in the products from one pound five ounces, to eleven pounds one and one-half ounces.

These later new varieties include Breeses Peerless, Breeses Prolific, Massasoit, Excelsior Circasian, Dr. Brentonnan, Patterson's Early Don, King of the Earlies, Patterson's Golden Don, Ashtop Fluke, Raspberry Kidney, Early Dimock and Early Mohawk, all of which procured through R. K. Bliss & Son, of New York, were presented for trial by Rev. W. T. Wylie, of Bellefonte, Pa.

Also, one bushel superior Timothy Seed and a specimen of well cured Hay, Clover and timothy, cut from the centre of a large hay mow and also one half bushel each, of the *two ears of Corn* in the ear—one the *Sanford* and the other the *Red Cob* both good quality.

Benjamin Shay, of Bradford county, exhibited one bushel Yellow Corn and one bushel Potatoes—creditable specimens. Thorge Finck, of same county, *one bushel* Somerset Oats and *one peck* same, of excellent quality.

Robert Shaw, of Providence, *one bushel* Potatoes—Early Rose—of very superior quality, and E. A. Anthon, of Abington, one quart choice Onion Seed.

Horace Capron, Commissioner of Agriculture, had placed on exhibition one fourth bushel each, White Tronzelle Winter Wheat, White Schonesa Oats and Winter Rye, and one eighth bushel Winter Oats—specimens of late importations by the Department of Agriculture. The Committee carefully compared the specimens imported with the products upon the Experimental Farm from prior importations.

There was no perceptable difference either in the *White Schonesa Oats*, although two years removed form the original importation or in the *Bremen Rye one year removed*. The Tonzelle Wheat was whiter than its product.

S. E. Cook, of Susquehanna county, exhibited one half bushel White Winter Wheat. John P. Harker, of Berlin, N. Y., two lots of *Sweet Potatoes* one half bushel each, of very good quality. A. Boyd Hamilton, of Harrisburg, described as follows: One bushel White Wheat and one bushel Rye, of good qualities, with specimens of the same in the Straw, and *two collections* of Potatoes of different varieties, the one collection produced from Seedlings of *Natice*, the other collection from Seedlings of *foreign growth, superior* in size but less in the number of the varieties than those exhibited by the Central Experimental Farm.

MRS. L. A Lindsey, of Montrose, Pa., exhibited one bushel good Potatoes. Joseph Leech, of Clark Green, *five varieties Scedling Potatoes* raised from Balls this year, and one bushel *Yellow corn*. Norman Leach, of the same place one bushel *Black Oats* and one bushel *Yellow Corn*. Frank Goodwin, of Kingston, one bushel of very good Onions. E.B. Ashbridge, of Williston, Pa., one bushel *Yellow Corn*. J. D. Kirkpatrick, of North Liberty, Mercer county, Pa., *two samples of Wheat*—the Jennings and the Rogers. S.B. Loomer, of Forest Lake, Susquehanna county, one bale of Hops and L. T. Burchard, of Burchardsville, three bushels of Probstein Oats, of good quality. And thereupon the Committee, after the most thorough and careful examination, make the following awards of the Premiums offered:

To the Central Experimental Farm—Wm. C. Huey, superintendent—for the best bushel White Wheat the Premium of three dollars. To G. E. Boyer for best bushel of Red Wheat the Premium of three dollars. To the Central Experimental Farm—Wm. C. Huey superintendent—for the best and largest variety of Wheat, six varieties of one half bushel each, the Premium of five dollars. To the same for the best bushel of Rye—the Bremen—the Premium of three dollars. To Samuel Hughes for the best bushel of Corn the Premium of two dollars. To George Fink for the best bushel of Oats—the Somerset—the premium of two dollars. To the Central experimental Farm—Wm. C. Huey superintendent—for the largest display of Grain Seeds, twenty-four varieties of one half bushel each, the premium of ten dollars. To Robert shaw for the best bushel of Potatoes—the Early Rose—the Premium of two dollars. To J. P. Harken for the best half bushel of Sweet Potatoes the Premium of two dollars. To the Central Experimental Farm—Wm. C. Huey suphrintendent—for the largest collection of Potatoes from seedlings, not more than three years under cultivation—seventeen kinds of more than six specimens each, the Premium of three dollars. To E. A, Atherton for the best quart of Onion Seed, the Premium of two dollars. To Frank Goodwin for the best bushel of Onions the Premium of two dollars. To the Central Experimental Farm—Wm. C. Huey, superintendent—for the best bushel of Barley, the Premium of two dollars, and to the same for the best specimen of Hay with mode of curing, the Premium of three dollars.

The Committee state, for the benefit of Agriculturalists, what from the endorsements upon the cards, they were pleased themselves to learn that the Excelsior, the Somerset and the White Schonen Oats can be procured for seed by the Farmers of Pennsylvania in any reasonable quantities required, at seventy-five cents per bushel, weight, by addressing Wm. C. Huey, Superintendent, Agricultural College P. O., Centre county, Pa., and that the same will be placed upon the railroad cars at Bellefonte without additional charge, except for bags at the rate of fifty cents for a two bushel bag and sixty cents for a two bushel and a half bag, and that all of the numerous varieties of Wheat, Rye, Oats, Barley and Potatoes exhibited by the Central Experimental Farm, except those from seedlings, can be obtained in small quantities in like manner at reasonable rates.

All which is most respectfully submitted.

THOMAS P. KNOX,

MORE EVIDENCE AGAINST MEEK AS "PINCHER & ROONTER."

SAM JOSEPHS 'OUT DONE—JIM BURNS KNOWS HIS MAN—HE WANTS MEEK ELECTED—MEEK INSULATES FOR HIMSELF AND RING—ANOTHER SWINDLE—THE MARSH CREEK IMPROVEMENT COMPANY.

Last week we gave some facts in regard to the great swindle entitled the "Big Sandy Run Improvement Company" and additional testimony this week.

We also, for the purpose of showing up P. G. Meek in his great character of "Pincher and Rooster," and his heartlessness in imposing a tax of from 50 to 75 cents per thousand feet upon all the lumber used by the farmers mechanics and working men of Centre County, who may wish to build a house, barn, out houses or post and rail fence. Meek cries out against taxation, revenue taxes, yet when in the Legislature he, for a consideration, worked and voted for the passage of Acts to impose a tax of 50 to 75 cents on every farmer, mechanic or working man who may use 1,000 feet of lumber.

The "Marsh Creek Improvement Company" is similar in every way to the "Big Sandy Run Improvement Co." This Marsh Creek Bill was passed the 17th day of April 1869.

The Corporators are "Charles Hewett, D. R. Bennett, John McFarland, H. Y. Stitzer, Balser Weber, Wm. Allison, Jr., and C. T. Alexander." It will be seen that the name of C. T. Alexander is in this bill, also in the Big Sandy, the name of H. Y. Stitzer Chairman of the Democratic Conuty Committee is in each. Do the honest Democrats not heer the distinct ring of the Court House Ring in the passage of these two Acts? Honest Democrats do you sanction such Legislation as this? Do you endorse the action of P. G. Meek in passing acts to put money in his own pockets and at the same time take it out of your purses? Consider well before you vote for Meek. We defy him to successfully contradict the facts we have published. We will have more to say on this subject before the election takes place. Keep a look out.

Meek denies that he owns stock. We prove by A. O. Furst, Esq., and John McGhee that he confessed to him that he did own stock. We have nailed him. We have exposed his swindle. Honest tax payers rebuke him, by refusing to send him back to Harrisburg.

COMPLETION OF THE PACIFIC RAILROAD.

GREAT RUSH TO STERNBERGS.

Sung to the tune of Yankee Doodle.

The Great Pacific Railroad's laid,
From ocean unto ocean,
And now complete connections made,
An enterprising notion.

The mighty work at last is done,
So speedy and brisk, oh!
And now in ten days we can run
From here to San Francisco.

No more we take the ancient route,
The stage, a horrid slow thing;
It banged the passengers about
And wore out all their clothing.

CHORUS, for the end of each verse:

The Great Pacific Railroad laid,
From ocean unto ocean,
And we buy clothes from A. STERNBERG,
A most delightful notion.

Through passengers by the Pacific Railroad will call at the store of A. Sternberg, before starting, and provide themselves with a complete outfit of Spring and Summer clothing, the very best assortment of which will always be found at A. Sternberg's store.

People who travel by other routes, and also people who, instead of travelling by any route at all, prefer to stay at home, can find the most superior and seasonable garments, for every occasion, of every variety, and at the lowest price.

Do not fail to call and examine our stock before purchasing elsewhere; if you do not, we are sure you will be sorry that you did not. Our goods are put down to the lowest figure. We sell whole suits, according to quality.

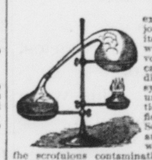
Aer's Sarsaparilla.

FOR PURIFYING THE BLOOD.



The reputation this excellent medicine enjoys, is derived from its cures, many of which are truly marvellous. Inveterate cases of Scrofulous disease, where the system seemed saturated with corruption, have been purified and cured by it. Scrofulous affections and disorders, which were aggravated by the scrofulous contamination until they were painfully afflicting, have been radically cured in such great numbers in almost every section of the country, that the public scarcely need to be informed of its virtues or uses.

Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the constitution, and invites the attacks of enfeebling or fatal diseases, without exciting a suspicion of its presence. Again, it seemes to breed infection throughout the body, and then on some favorable occasion, rapidly develop into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by eruptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this *Sarsaparilla* is advisable, even when no active symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and, at length cure, by the use of this *SARSAPARILLA: St. Anthony's Fire, Rose or Erysipelas Tetter, Salt Rheum, scald Head, Ringworm, Sore Eyes, Sore Ears*, and other eruptions or visible forms of Scrofulous disease. Also in the more concealed forms, as **Dyspepsia, Dropsy, Heart Disease, Fits, Epilepsy, Neuralgia**, and the various **Ulcerous** affections of the muscular and nervous systems.

Syphilis or **Veneral** and **Mercurial Diseases** are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued use of this medicine will cure the complaint. **Leycorrhea** or **Whites, Uterine Ulcerations,** and **Female Diseases,** are commonly soon relieved and ultimately cured by its purifying and invigorating effect. Minute Directions for each case are found in our Almanac, supplied gratis. **Rheumatism** and **Gout**, when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also **Liver Complaints; Torpidity, Congestion of Liver**, and **Jaundice**, when arising, as they often do, from the rankling poisons in the blood. This **SARSAPARILLA** is a great restorer for the strength and vigor of the system. Those who are LANGUID and *Listless, Despondent, Sleepless* and troubled with *Nervous Apprehensions or Fears*, or any of the affections symptomatic of **Weakness**, will find immediate relief and convincing evidence of its restorative power upon trial.

DR. PIERCE'S ALT. EXT. OF GOLDEN MEDICAL DISCOVERY

This is the most thorough blood purifier yet discovered, and *cures all humors* from the worst *Scrofula* to a common *Scratches, Pimples* and *Blotches* on the face, and *scaly or rough skin*, which are such annoying blemishes to many young persons, yield to the use of a few bottles of this wonderful medicine. From one to eight bottles cure *Salt Rheum, Erysipelas, Scalt Head, Ring Worms, Boils, Scaly Eruptions of the Skin, Scrofula Sores, Ulcers* and *"Canker" in the Mouth and Stomach*. It is a pure medicinal extracts of native roots and plants, combining in harmony Nature's most soverign curative properties, which God has installed into the vegetable kingdom for healing the sick. It is a great restorer for the strength and vigor of the system. Those who are languid, sleepless, have *nervous apprehensions or fears*, or any of the affections symptomatic of 'weakness, will find convincing evidence of its restorative power upon trial. If you feel dull, drowsy, debilitated and despondent, have frequent *Headache, mouth tastes badly* in the morning, *irregular appetite* and *tongue coated*, you are suffering from *Torpid Liver* or *"Biliousness."* In many cases of *"Liver complaint"* only a part of these symptoms are experienced. As a remedy for all such cases, Dr. Pierce's Golden Medical Discovery acts no equal as it effects perfect cures, leaving the liver *strengthened* and *healthy*. For the cure of Habitual Constipation of the Bowels it is a never failing remedy, and, those who have used it for this purpose are loud in its praise. In *Bronchial, Throat* and *Lung Diseases*, it has produced many truly remarkable cures, where other medicines had failed. Sold by Druggists at $1,00 per bottle. Perpared at the Chemical Laboratory of R. V. PIERCE, M. D., Buffalo, N. Y.

MANHOOD

In the Young and Rising Generation.

The vegetative powers of life are strong, but in a few years how often the pallid hue, the lackjustre eye and emaciated form, and the impossibility of application to mental effort, show its baneful influence. It soon becomes evident to the observer that some depressing influence is checking the development of the body. Consumption is talked of, and perhaps the youth is removed from school and sent into the country. This is one of the worst movements. Removed from ordinary diversions of the ever-changing scenes of the city, the powers of the body, too much enfeebled to give zest to healthful and rural exercise, thoughts are turned inwards upon themselves.

If the patient be a female, the approach of the menses is looked for with anxiety, as the first symptom in which Nature is to show her saving power in diffusing the circulation and visiting the cheek with the bloom of health. Alas! increase of appetite has grown by what it fed on; the energies of the system are prostrated, and the whole economy is deranged. The beautiful and wonderful period in which body and mind undergo so fascinating a change from child to woman, is looked for in vain. The parent's heart bleeds in anxiety, and fancies the grave but waiting for its victim.

HELMBOLD'S

EXTRACT BUCHU

For Weakness arising from excesses or early indiscretion, attended with the following symptoms: Indisposition to Exertion, Loss of Power, Loss of Memory, Difficulty of Breathing, General Weakness, Horror of Death, Night Sweats, Cold Feet, Wakefulness, Dimness of Vision Langour, Universal Lassitude of the Muscular System, Often Enormous Appetite with Dyspeptic Symptoms, Hot Hands, Flushing of the Body, Dryness of the Skin, Pallid Countenance and Eruptions on the Face, Pain in the Back, Heaviness of the Eyelids, Frequently Black Spots Flying before the Eyes, with Temporary Suffusion and Loss of Sight, Want of attention, Great Mobility, Restlessness, with Horror of Society. Nothing more desirable to such patients than Solitude, and nothing they more dread, for Fear of Themselves; no Repose of Manner, no Earnestness, no Speculation, but a hurried Transition from one question to another.

Those symptoms, if allowed to go on—which this Medicine invariably removes—soon follow Loss of Power, Fatuity, and Epileptic Fits, in one of which the patient may expire.

During the Superintendence of Dr. Wilson at the Bloomingdale Asylum, this sad result occurred to two patients; reason had for a time left them, and both died of epilepsy. They were of both sexes, and about twenty years of age.

Who can say that these excesses are not frequently followed by those direful diseases Insanity and Consumption! The records of the Insane Asylums, and the melancholy deaths by Consumption, bear ample witness to the truth of these assertions. In Lunatic Asylums the most melancholy exhibition appears. The countenance is actually sodden and quite destitute—neither Mirth or Grief ever visits it. Should a sound of the voice occur, it is rarely articulate.

"With woeful measures wan Despair
Low sullen sounds their grief beguiled."

Whilst we regret the existence of the above diseases and symptoms, we are prepared to offer an invaluable gift of chemistry for the removal of the consequences.

Our garments are all made of the best materials, carefully selected; nothing unsound or in any way imperfect is made up at all, even in the lowest grades of goods. Our assortment is so large and varied that every one can be fitted at once, without delay. Our prices are always guaranteed as low, or lower, than the lowest elsewhere. We have also a fine assortment of
